

§ 641.480

20 CFR Ch. V (4–1–07 Edition)

(b) Incumbent grantees will not have an opportunity to cure in an open competition because that will create an inequity in favor of incumbents which already have opportunities to correct deficiencies through technical assistance, provided by the Department, under OAA sec. 514(e)(2)(A).

(c) If the Administrative Law Judge (ALJ) rules that the organization should have been selected, in whole or in part, and the organization continues to meet the requirements of this part, the matter must be remanded to the Grant Officer. The Grant Officer must, within 10 working days, determine whether the slots which are the subject of the ALJ's decision will be awarded, in whole or in part, to the organization and the timing of the award. In making this determination, the Grant Officer must take into account disruption to participants, disruption to grantees and the operational needs of the SCSEP. The Grant Officer must return the decision to the ALJ for review. In the event that the Grant Officer determines that it is not feasible, the successful appellant will be awarded its bid preparation costs or a pro rata share of those costs if Grant Officer's finding applies to only a portion of the funds that would be awarded to the successful appellant. An applicant so selected is not entitled to the full grant amount but will only receive the funds remaining in the grant that have not been expended by the current grantee through its operation of the grant and its subsequent closeout. The available remedy in an SCSEP non-selection appeal is the right to be selected in the future as an SCSEP grantee for the remainder of the current grant cycle. Neither retroactive nor immediately effective selection status may be awarded as relief in a non-selection appeal under this section and § 641.900.

Any organization selected and/or funded as an SCSEP grantee is subject to having its slots reduced or to being removed as an SCSEP grantee of an ALJ decision so orders. The Grant Officer provides instructions on transition and closeout to both the newly designated grantee and to the grantee whose slots are affected or which is being removed. All parties must agree to the provi-

sions of this paragraph as a condition of being an SCSEP grantee.

§ 641.480 May the Governor make recommendations to the Department on grant applications?

(a) Yes, each Governor will have a reasonable opportunity to make comments on any application to operate a SCSEP project located in the Governor's State before the Department makes a final decision on a grant award. The Governor's comments should be directed to the Department and may include the anticipated effect of the proposal on the overall distribution of program positions within the State; recommendations for redistribution of positions to underserved areas as vacancies occur in previously encumbered positions in other areas; and recommendations for distributing any new positions that may become available as a result of an increase in funding for the State. The Governor's recommendations should be consistent with the State Plan.

(b) Under noncompetitive conditions, the Governor may make the authorized recommendations on all applications. However, under competitive conditions, the Governor has the option of making the authorized recommendations on all applications or only on those applications proposed for award following the rating process. It is incumbent on each Governor to inform the Department of his or her intent to review the applications before or after the rating process.

§ 641.490 When may SCSEP grants be awarded competitively?

(a) The Department must hold a competition for SCSEP funds when a grantee (national grantee, national grantee in a State, or State grantee) fails to meet its performance measures; the eligibility requirements; or the responsibility tests established by section 514 of the OAA.

(b) The Department may hold a full and open competition before the beginning of a new grant period, or if additional grantees are funded. The details of the competition will be provided in a Solicitation for Grant Applications published in the FEDERAL REGISTER or in another medium. The Department

believes that full and open competition is the best way to assure the highest quality of services to eligible participants.

Subpart E—Services to Participants

§ 641.500 Who is eligible to participate in the SCSEP?

(a) Anyone who is at least 55 years old and who is a member of a family with an income that is not more than 125 percent of the family income levels prepared by the Department of Health and Human Services and approved by the Office of Management and Budget (OMB) (poverty guidelines) is eligible to participate in the SCSEP. (OAA sec. 516(2)). A person with a disability may be treated as a “family of one” for income eligibility determination purposes. The Department will issue administrative guidance on the procedures for computing family income for purposes of determining SCSEP eligibility.

(b) States may enter into agreements between themselves to permit cross-border enrollment of eligible participants. Such agreements should cover both State and national grantee slots and must be submitted to the Department.

§ 641.505 When is eligibility determined?

Initial eligibility is determined at the time individuals apply to participate in the SCSEP. Once individuals become SCSEP participants, the grantee/subgrantee is responsible for verifying their continued income eligibility at least once every 12 months. Grantees may also verify an individual's eligibility as circumstances require.

§ 641.507 What types of income are included and excluded for participant eligibility determinations?

(a) The prior practice of excluding the first \$500 of a participant's income for eligibility purposes is contrary to the section 516(2) of the OAA, which limits SCSEP eligibility to no more than 125 percent of the poverty guidelines established by OMB. Therefore,

this practice will no longer be permitted, either for current participants or new applicants.

(b) The Department will use the U.S. Census Bureau's Current Population Survey (CPS) as the standard for determining income eligibility for the SCSEP. The Department will issue administrative guidance regarding income definitions and income inclusion and exclusion standards for determining eligibility.

§ 641.510 What happens if a grantee/subgrantee determines that a participant is no longer eligible for the SCSEP due to an increase in family income?

If a grantee/subgrantee determines that a participant is no longer eligible for the SCSEP, the grantee/subgrantee must give the participant written notification of termination within 30 days, and the participant must be terminated 30 days after the participant receives the notice. The only exception is for participants found ineligible because of providing false information who must be terminated immediately with written notification of the reason therefore. Grantees/subgrantees must refer such individuals to the services provided under the One-Stop Delivery System or other appropriate partner program. Participants may file a grievance according to the grantee's procedures and subpart I.

§ 641.515 How must grantees/subgrantees recruit and select eligible individuals for participation in the SCSEP?

(a) Grantees and subgrantees must develop methods of recruitment and selection that assure that the maximum number of eligible individuals have an opportunity to participate in the program. To the extent feasible, grantees should seek to enroll individuals who are eligible minorities, limited English speakers, Indians, or who have the greatest economic need at least in proportion to their numbers in the area, taking into consideration their rates of poverty and unemployment. (OAA sec. 502(b)(1)(M)).

(b) Grantees and subgrantees must list all community service opportunities with the State Workforce Agency and all appropriate local offices and
